

Savaria Concord Lifts Inc. Job Description

Journeyman Elevator Mechanic for Permanent Adjustor Position

Location: Calgary, AB

Savaria is the largest accessibility manufacturer in Canada and a publicly traded company (TSX:SIS). Serving the rapidly growing aging population, Savaria designs, builds and markets home elevators, wheelchair lifts, stairlifts and accessible vans. Our Calgary office has a new opportunity for a Journeyman Elevator Mechanic.

We are seeking an individual proficient in elevator maintenance/construction with experience in hydraulics, adjusting and repairing, as well as the ability to read wiring diagrams. Troubleshooting skills are a must.

Job requirements

- The candidate must be able to work independently to adjust, inspect with Aedarsa and turnover units.
- This job may require overtime, and on-call work occasionally, as well as out of town work with overnight stays.
- A valid driver's license is required for this position. A drivers' abstract could be requested upon job offer.
- The ideal candidate will be in direct contact with our clients. Professionalism, accuracy and commitment to getting the job done are a key requirement.
- Competitive wages.

Only candidates that meet the above requirements need apply.
